BRIEF HISTORY

Why Walkmen? '...our dreams of one day dancing together, or pining to win them back.'

User Experience

updateColor ()

```javascript
function updateColor() {

    if ( firstTime==true ) {
        hash = window.location.hash;
        if (hash == "#mixtape-1") {
            currMix = 0
        } else if (hash == "#mixtape-3") {
            currMix = 2
        } else {
            // no hash or is mixtape-2
            currMix = 1
        }
    }

    if (currMix == 0) {
        changeURL("Empty Without You", "/withoutyou");
        body.removeClass('blue red purple').addClass('blue');
        tapeIntro.html('<h1 class="rel">Empty Without You</h1><p class="rel">Sure, we manage to carry on.
    } else if (currMix == 1) {
        changeURL("Over The Moon", "/overthemoon");
        body.removeClass('blue red purple').addClass('red');
        tapeIntro.html('<h1 class="rel">Over the Moon</h1><p class="rel">It feels so right. Like a sunny
    } else if (currMix == 2) {
        changeURL("Let's Make Magic", "/makemagic");
        body.removeClass('blue red purple').addClass('purple');
        tapeIntro.html('<h1 class="rel">Let's Make Magic</h1><p class="rel">We think anything is possible
    } else {
        //
    }

    firstTime = false;
}
```

positionLogo()

```javascript
function positionLogo() {

    var topBreakpoint = 380,
    winScrlTop = $( window ).scrollTop(),
    logoCurCenter = $(window).width() / 2 - 83.5// half

    if ( winScrlTop < topBreakpoint ) {

        var logoPercTop = winScrlTop / topBreakpoint,
        logoMargLeft = logoPercTop * logoCurCenter;

        logo.css('margin-left', logoMargLeft + 'px')

    } else {
        logo.css('margin-left', logoCurCenter + 'px')
    }
}
```

```javascript
if ( mobile === false ) {

    $( window ).scroll(function(){

        positionLogo()
```

^ This checks to see if it's browser is on desktop. If it is, it executes the positioning of the logo.

rotating tape

```
// rotate top separator
var rotateTop = 170 + $(this).scrollTop() / 23;
$('#rotatie').css({
    '-ms-transform' : 'rotate(' + rotateTop + 'deg)',
    '-webkit-transform' : 'rotate(' + rotateTop + 'deg)',
    '-moz-transform' : 'rotate(' + rotateTop + 'deg)',
    'transform' : 'rotate(' + rotateTop + 'deg)'
});

if ( $(this).scrollTop() < 500 ) {

    if ( body.hasClass('playing') ) {
        if ( altPlayer == false ) {
            walkman.loadPlaylist("stop");
        } else {
            scPlayer.html('');
        }
    }
}
```
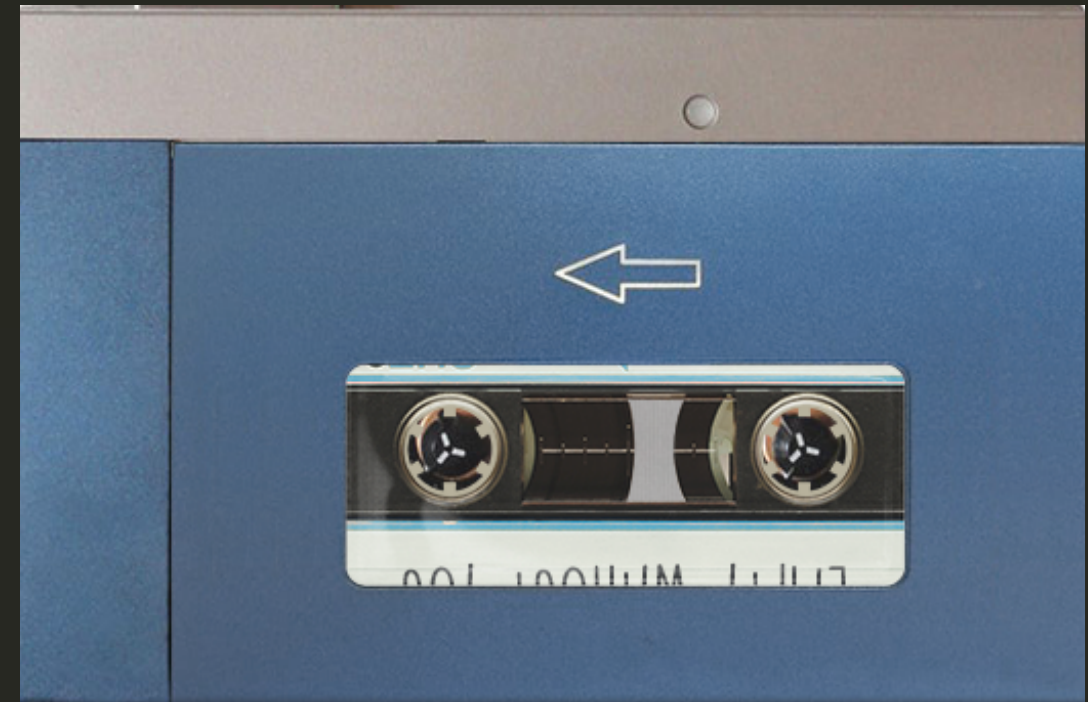

spinWheel(angle)

```
function spinWheel(angle) {

    var tapeWheel = $( ".mainBgLid" );

    $({deg: dir}).animate({deg: angle}, {
        duration: animTime,
        step: function(now) {
            $elem.css({
                transform: 'rotateX(-' + now + 'deg)',
                '-moz-transform': 'rotateX(-' + now + 'deg)',
                '-ms-transform': 'rotateX(-' + now + 'deg)',
                '-o-transform': 'rotateX(-' + now + 'deg)',
                '-webkit-transform': 'rotateX(-' + now + 'deg)'
            });
        }
    });
}
```

- animated the tape wheels using css.

playMixtape ()

```javascript
function playMixtape() {

    setTimeout(function () {
        tapeSpinners.addClass('rotating');
    }, 1300);

    if (muteSound == false) {
        if ( altPlayer == false ) {
            switch(currMix) {
                case 0:
                    walkman.loadPlaylist("missing")
                    break;
                case 1:
                    walkman.loadPlaylist("love")
                    break;
                default:
                    walkman.loadPlaylist("wanting")
            }
        } else {
            switch(currMix) {
                case 0:
                    scPlayer.html('<iframe width="100%" height="90" scrolling="no"
                        frameborder="no" src="https://w.soundcloud.com/player/?url=https%3A//api.soundcloud.com/
                        playlists/72178656&amp;auto_play=true&amp;hide_related=false&amp;show_comments=true&amp;
                        show_user=true&amp;show_reposts=false&amp;visual=true"></iframe>')
                    break;
                case 1:
                    scPlayer.html('<iframe width="100%" height="90" scrolling="no" frameborder="no"
                        src="https://w.soundcloud.com/player/?url=https%3A//api.soundcloud.com/playlists
                        /72150312&amp;auto_play=true&amp;hide_related=false&amp;show_comments=true&amp;
                        show_user=true&amp;show_reposts=false&amp;visual=true"></iframe>')
                    break;
                default:
                    scPlayer.html('<iframe width="100%" height="90" scrolling="no" frameborder="no"
                        src="https://w.soundcloud.com/player/?url=https%3A//api.soundcloud.com/playlists/72179080&amp;
                        auto_play=true&amp;hide_related=false&amp;show_comments=true&amp;show_user=true&amp;
                        show_reposts=false&amp;visual=true"></iframe>')
            }
        }
    }

}
```

Things I've Noticed FIRST:

- Stratus 2 (SoundCloud player)
- Markup 'hidden'. Created dynamically.
- jQuery
- Wordpress (?)
  - Found Wordpress files
  - Uses the Wordpress slider plugin

Tools Used (What I've Found):

- Royal Slider (for selecting different playlists)
  - http://dimsemenov.com/plugins/royal-slider/

- iScroll (for mobile scrolling)
  - https://github.com/cubiq/iscroll

Tools Used (What I've Found)

- jQuery Mousewheel
  - https://github.com/jquery/jquery-mousewheel

- Stratus 2 (for soundcloud player on the bottom)
  - http://www.stratus.sc/
